

Louisene "Lucy" Loretta Coy

August 6, 1942 - March 31, 2021

Louisene Loretta Coy was born August 6, 1942 in Jeffersonville, Indiana and passed away on March 31 2021 in Battle Ground, Washington at the age of 78. Lucy as her friends called her, grew up between Oklahoma and California finally moving to San Diego when she was 16 years old. While working in San Diego she met Nolen Coy, who she married in 1965. Lucy became a homemaker after the birth of their son, Devin. Lucy and Nolen were able to celebrate their 50th wedding anniversary just two days before Nolen's passing in 2015. Lucy (Ceney to her family) loved to crochet and has left family members beautiful Afghan blankets that the family treasures. Lucy and Nolen lived in San Diego for 40 years, where they raised their family before relocation to Battle Ground, Washington, to be near their son and daughter and watch their grandson grow up. Lucy was a loving wife, mother, and grandmother, respected by many for her sharp wit and devotion to family and friends. Lucy was preceded in death by her husband Nolen Coy and her mother Velma Finn. Among those who mourn her loss are her son Devin Coy (and wife Corie Day); daughter Colleen (and husband Aaron) Stevenson; grandchild Tyler Coy; 2 sisters and 3 brothers.

Memorial Services will be held on April 28, 2021, at 10:00 AM at Evergreen Memorial Gardens in Vancouver, WA.

“ *The Coy's came and visited us back in the early 80's. I remember we drove to TG&Y and as we were leaving the parking lot, Nolan was driving the car and started to take off while Aunt Ceney was still with one leg out and one leg in the car.... she started hopping and bitchin at Nolan... I heard her yell and I quote 'Damn it Nolan are you tryin rip my tits off?' As he stopped the car, the door hit Ceney in the chest... man this pissed her off. She got in the car then started laughing... all of us were laughing... it was quite the memory. I miss these days... these memories... and will redo them when I see Ceney in Heaven one of these days... praying for all my cousins... love you guys! Steve*

“ *The most rememberable thing I knew about my Aunt was her laughter she always could make me smile even on my worst of days I loved it. Of course most of the time I would be sitting on the back porch with her usually during her time of a cigarette I would be able to pick apples and only a few and take them in and make whatever I wanted with them she was very kind loving and considerate to my family in our time of need she looked out for her little sister my mom and helped us get on our feet when we were down there I'll never forget that and always remember her for being kind to open her home her heart to her family. May she rest like a Queen in heaven. Love you always Aunt Ceney*

“ Ceney and Nolen got married two days after we did and we were able to attend their beautiful wedding at her mother's house. I feel as though I've know her most of my life, actually I did. I always thought the world of her and really appreciated what a down to earth person she was always making you feel welcomed and loved. Not to mention she had a great sense of humor and was really smart. God Willing we will meet again, Love, (your sister-in-law) Kathleen

“ I was closest to my sister Ceney after our Father left with a little red-head. We watched out for each other as I suffered with my mental issues and was rejected by my family. She was always my buddy. I have often looked back at the time when my mom kicked me out of the house because I lost my job and Ceney would bring me food and drink to an old car I was living in. I only received love from her and with all my problems she never judged me. She will be missed and always loved by me.

“ My fondest memories I would have to say would be hanging out on the back little deck at her house picking blackberries through the yard. Or going in the front door and pulling all the leafs off of her fern plants and having her yell at me ha ha. We would sit inside the house and drink warm RC cola and play Atari while the big kids got to go out and play around the neighborhood and I was too little so she would laugh at me and share fond memories of her growing up with my mom. The kindest sweetest most gentle yet firm strict and beautiful soul I've ever known. Definitely a sad sad loss to us all and yet another gain for the good Lord above. I take solace in knowing that she is happy and at peace with no pain or suffering anymore. We will miss her so much I love you forever and always Aunt Ceney see you on the other side

“ When I was 15 years old I went to San Diego to visit my grandmother Velma. While I was there I also visited my cousins and my aunt Ceney. I enjoyed it so much that I stayed another two weeks. I loved her stories, the things she talked about and she was so funny. After that trip I wanted to move to California to be closer to them. She always had a way of making me feel right at home like I was one of hers. She will be missed! Praying for Devin and Colleen!

“ *I am so grateful to have spent the last 4 years with Lucy. Her laugh and jokes made my day. I will always remember to have a hot chocolate when I want to remember her. Not just any hot chocolate. One with extra cream and marshmallows. She encouraged me to get out and have adventures. I won't disappoint her.*

“ *Sending love and hugs to Colleen and Devin at this time of loss. Your mother was so kind as to share your father with me on weekends to explore the mountains and deserts when I needed a father figure and friend. I am so grateful for that.*
