“ Lucille was such a wonderful friend, entertaining with her magical stories, notes of love, amazing music 🎵, she would play the piano every time she came to visit. We had such fun on our drives up the gorge, a picnic lunch at Mt. St. Helen, a trip to the Iris Gardens, out for ice cream in Cascade Locks or a trip to a thrift store...I thought those days would last forever! Now they are precious memories I will treasure forever in my heart. The picture of Lucille was a birthday celebration we shared at Skamania Lodge, such a good day❤️ And, yes, she did eat her birthday sundae with her afternoon coffee.

“ For nearly 30 years Lucille has written me notes of support and encouragement. Each October I've been the recipient of one of her little decorated pumpkins. We shared alot of stories. I will miss you Lucille

“ *When I first arrived at Salmon Creek Church, Lucille was the first parishioner to send me an e-mail, greeting me and giving me advice about the music program! She was a dear lady, beloved in our church and our community. May God bless you and keep you, Lucille. Rest now in His loving arms.*
