“ We lived next door to Lucille in Mfg home park in Vancouver. Such a sweet lady and we visited often, I wish I had known she was still living as I would have surely visited her. For some reason I was led to believe she had passed away earlier. My husband died in 1998 just before her son died. So we visted back and forth. she was a wonderful lady and loved her family. Talked often of her grandchildren and great grandchildren. You will miss her, I am sure.
