“ Cindi and I worked together at Marquis Mill Park when I was a relatively new "baby" nurse. Her kindness and compassion really showed each and every day. I looked forward to working with her and always knew her smile and guidance would make even the hardest days easier. Cindi will be missed and I pray for all who knew her during this difficult time! Rest now Cindi, we will take the call from here... ❤️❤️

“ Cindy and I went to the same high school together. Although I was in a higher grade than her, I remember all three of the Herb sisters were so beautiful! I really got to know her when we worked together at a clothing store on Main Street in Vancouver. She was a sheer joy to be around. Cindy would walk in and light up the room with her smile, bubbly personality and positive energy. Years later I had surgery and in walked Cindy who was working as a nurse then. She would come in everyday and spend her lunch with me while we caught up on each others lives.

My heart aches for the family. To lose someone as special as Cindy is so hard. Because she emitted a joy and kindness that few have. I will always remember her as such a beautiful person inside and out. She was a Gem.
