“ I only knew Lynn through her sister, Sue Spendal, but from her I know that Lynn was a very special person and a wonderful sister. My sympathy goes out to all of Lynn's family and friends who will miss her so much.

“ Probably the thing that impressed me the most was how much Lynn loves my daughter, Beth. She was loving, compassionate and caring, always considering Beth's feelings and showing Beth love. That means a lot to a Mother. Through the last ten years, Jake and I have gotten to know both Rick and Lynn well and each time we would come together with them and our kids, we would always have such a great time. We consider them family. I feel blessed with their friendship and love. We are devastated by the loss of a beautiful friend. We will miss Lynn very much!

“ I worked with Lynn for over 21 years at Evergreen School District and the last year as her "trainee" in Facilities. Lynn was a great teacher, had a quick sense of humor and was one of the most capable people I have worked with over the years. I watched Lynn battle her illness and was struck by how she handled it with such grace. I wish Rick, her boys & their families peace while you work through this very difficult time.
