“ Dearest cousins, I am sorry that we cannot be there with you at this time of sorrow and remembrance. The thing I remember with fondness is that Dad said his sisters taught him to dance---and he was good dancer. I am happy that we got to see Mabe not too long ago---thanks to Joyce and Phil for bringing her to Springfield. She was important to our Mom (and Dad), and she said that she is grateful that she talked to Mabe for a while just last week. Anyone who can tell us why Dad called her TD gets a prize, but Aunt TD is what we grew up calling her!

“ Second cousins, Aunt Mabe was so special to me. She was always kind when she would visit my grandparents in the summers. And then I had the chance to visit her a couple times in Vancouver and she was just the best hostess. I will always think of her fondly. With love from Marie
