“ The Nerurkar family lived across the street from us- Gharpure family in Mumbai. Madhav and his father assured my father that the IIT Kharagpur campus was a safe place. After I joined iit-kgp I saw Mahav only occasionally on campus and on the train but I can still picture his smile. I can't believe he is no longer with us... Heartfelt condolences to the Nerurkar family from the Gharpures. -Vinita Singhal (nee Gharpure) PS Raju our Aai passed just one day before on November 12th.

“ Madhav visited us in Los Angeles In 1990 and accompanied us on a trip to Mexico during thanksgiving weekend. Our son was 2 year old and Madhav became his best friend during that trip. He was so caring with all the kids - he instantly became their favorite uncle. When I think of Madhav , 3 things come to my mind is - intelligence , chess and carefree attitude.

“ माधव खूप जिद्दी होता. आम्ही कॉलेजला अग्रवाल क्लासला जात होतो. आय्. आय्. टीच्या ॲडमिशनसाठी प्रयत्न सुरू होते. इंटर सायन्सला असताना तो पूर्णतः त्या प्रवेशपरिक्षेसाठीचा खास अभ्यास करीत असे. माझ्या माहितीप्रमाणे त्यामुळे त्याला इंटरला जेमतेम ५०% गुण मिळाले असतील. परंतु त्याचा आत्मविश्वास व आडाखे इतके योग्य होते की आय्. आय्. टी. मध्ये माधवला इच्छेप्रमाणे हवी ती शाखा मिळाली. तो त्याच्या जीवनाला कलाटणी देणारा क्षण होता. त्यामुळे पुढे तो उच्च शिक्षणासाठी अमेरिकेस जाऊ शकला आणि चांगला यशस्वि झाला. त्याच्या स्मृतीला वंदना

“ I am deeply saddened to hear of Madhav's passing. He was a very close friend during the 5 years when we were both EE students at IIT-Kharagpur. In fact his room was right next to mine in LLR Hall. I have many great memories of those 5 years from 1976-81, spending countless hours with Madhav in our wing at LLR Hall, and in various classrooms, canteens and other student hangouts on campus. He was a brilliant chess player, a dear friend and a guy who had a great singing voice and an irreverent sense of humor. There was a depth to his intellect, but there was always a tinge of humor in our conversations. His interests ranged from politics & philosophy to pulling off crazy pranks that he and I instigated during those undergraduate years! He was always up for an adventure, and I recall sharing quite a few with him! My sincere condolences to his family. Ashok Prabhala (aka "Props")
