“ I had the pleasure of working with Marcy at the Cancer society. And then she came to work for Mahoney Hearing I'd center where we continued are friendship and we even worked at March of dimes together. We remained friends 30 years , when she was forced to quit work due to her Parkinson's , I would visit her , take her to movies , shopping and dinner. She was a dear friend and will be missed but never forgotten. R.I.P. Love you your friend Sharon Trunk
