“ Hi Mom, I think about you all the time. I wish you were here and could hold Niki's babies. They're beautiful. I think they need you almost as much as Emma did too. You were a good Mom and an extraordinary Grandma. I miss and love you.

“ Mom - I have missed you so much I can't even begin to tell you. There are so many times I think to call or want to share and you were always there. I still tell you. This year has been beyond rough. First you then Nate. I know you guys are in heaven and it is a better place. We'd like you here but are working to understand. I will love and miss you forever. You gave me the best and I'm trying to live with that example in mind. Love Lisa

“ Mama, I hope you have found my Nathan by now. It was hard enough losing you and Daddy but this has just been unbearable. I was looking for a good picture for his headstone and came across so many pictures of you and Dad and I just feel so horribly broken. We didn't know what this site was when you died. I stumbled across it one day but couldn't find my way back. It is true that you are missed everyday and your passing has hurt us all. Nathan's passing has shattered me. I hope you are all together with God and you and Dad are helping him. I wanted you and Daddy to be guardian angels for all of us. I don't understand why Nate had to join you when I need him so badly. You all have my love forever.
