“ Marina was the smartest person I ever met with a passion and drive for perfection that was astonishing. She was so knowledgable and grounded with a wicked sense of humor. She was so rare and special that I can't imagine not ever seeing her again. I will miss her every day.

“ *You are in my thoughts and prayers. I worked with Marina at Jason Lee and will always remember the wonderful woman she was. The last time we got together was after your trip to Greece. We had such a great conversation and time together. A great memory for me. My sincere sympathy, Sharon Schill*
