“ It was nice to see Margie at Alumni and other visits around town. She remembered me and others for a long time. I was also the "paperboy" 'way back in the day and slipped down their driveway on the ice a few times. Lots of other memories, too. Take care, Karolyn and family.

“ Margie's son Rick and I were close friends at Stevenson High School, attended classes together, Ed McLarney was our mentor in photography. Rick joined the Navy about 9 months before me and we served together in Vietnam. I was a navy photographer and have pictures of him on his ship alongside mine. Margie and Lee were great people and she is a person who will be enormously missed in the community.
