“ Hi my name is Becky and I am Mark's second cousin. I can't tell you how much happiness Mark brought into my life! He always gave my hand a pat a kiss on the cheek and the biggest smile God ever created! Mark's kindness, generosity and love made him the most wonderful person I have ever known! I will miss Mark with all my heart! Becky

“ Dearest Dale and Mabel, My heart goes out to you ever so compassionately. You have been such wonderful parents to Mark and God has blessed you with many more years than expected. Mark's testimony of life was truly a celebration of life. May we all have the joy he had every day. Hugs to you both, I will be up for the funeral. My prayer is that God will heal your hurts of this loss and give you a peace knowing the angels are embracing Mark right now and he is smiling. Bonnie
