“ I am going to miss her so much. She was a wonderful woman and one of my best friends. To all of the family.. She was so proud of you all. She told me often and appreciated all that you did for her. She loved you all very much. I am so sorry for your loss and I am here if you need anything.

“ Dear Grandma, we miss and love you very much. But I know that you are enjoying the loved ones who were there for you with open arms. So this gives some comfort. I know it will be a joyous time when we do meet again. And when we do. We will run into your open arms! <3 ~ Love always Mike & Melinda <3~

“ Mom, I felt like we were going to loose you this year, just not so soon. I wasn't ready for you to go. I miss your phone calls asking me 'what is going on up there' or 'I haven't heard from you'. I'll miss you telling me how I am suppose to be living my life. I have a big void in my life and I am going to have to learn to live my life without you. I Miss you so much. I know you are in a better place visiting with family and I am sure Darcy is at your side. Love you. Your daughter
