“ Marlyn was my next door neighbor during 2014. We shared a love of art and crafting - and coffee! I was very touched that Marlyn showed me some of the beautiful things her ancestors made, including paintings on china and a lovely watercolor. I was touched that she asked my advice for framing and preserving that beautiful and fragile treasure. My favorite memory of Marlyn was an impromptu shopping trip we took to Jantzen Beach. She asked me if I could pick up some milk for her from the store, and I mentioned that I planned to go to Michael's - would she like to come? As we were crossing the I-5 bridge she thanked me for getting her out of the house. I said, "Out of the house? I'm taking you across the state line!" She said, "I didn't know we were going all Thelma & Louise!" We went to several stores, had lunch and laughed all afternoon.

“ I am so sorry to hear of Marlyn's passing. Marlyn was a very giving and talented person and I loved seeing the little baby hats she knitted for the hospital. My prayers and deepest sympathies to her family in their sorrow.

“ I am so sad to learn of Marlyn's passing. She was a fun quilting friend. We did quilt retreats and most recently Quilt to you Wilt's together. Just a couple weeks ago she brought a new friend that she had met at her new apartment complex to our evening of quilting. She was an enthusiastic quilter and knitter & I always enjoyed her company & will miss her. Jill
