“ *The best of a person comes from meeting the best people. Marty is that man. Without laughter there is no life. Marty walked in one morning and plopped a neoprene wader on my desk and said "these are yours". And I answered "I don't believe so". He told me "yes, they are". Of course with wondering why, I replied, "is there a big hole in them"? Marty said "no" as he slapped his belly, He laughed, and said "They shrunk!!!! I miss you, Dale*

“ *Marty was "the good egg". He introduced me to one of my favorite places on earth, Neah Bay. Some of my fondest memories will always be of those trips he let me share with Marlene and himself. My deepest condolences for Marlene and the family. I hope where ever you are now Marty, it is....Just Ducky*

“ *Shocked and saddened to learn of Marty's passing, a great guy. From hitting the Oregon Dunes in our , in younger days, just out of high school. Riding a few poker runs on our dirt bikes, to doing a machine work job here and there for some project. Marty was always fair and well thought of by myself and others. My compassion and sympathies to his family.*
