“ I met Marv shortly after I began as an instructor at Corban University in 1988. I retired in 2019 and moved out of the state. I was thinking about Marv this morning so I did a search on the Internet and learned of his passing. Marv was a fine Christian man and was always super friendly and generous. The world has lost a saint but heaven is rejoicing.

“ Liz. I couldn't agree more! I met Marv because he serviced the balances at Reed College. I had twenty-two years of working with him (and Mandy) and will miss seeing both of them.

“ I met Marv when he was servicing our microscopes at Chemeketa Community College. He and his daughter were the kindest people to work with. I will certainly miss them. I have been looking for an address / phone number to reach his daughter. If she sees this, please do call or email me (liz.traver@chemeketa.edu). I am so sorry for your loss. Liz Traver

“ I met Marv in 1995, as a science teacher in Tigard (Fowler). Besides being a kind and friendly man, he was almost a magician with what he could do with his microscope skills. He was able to make new ones from old. Through his work, he literally has touched the lives of thousands of people in the classroom, both students and teachers. Fortunately for me, I have been able to chat with hime now and again since my retirement. He was a good role model for all. I think of him often. Dennis Smith, Portland

“ There are not enough words for me to tell what a fine man Marv was, he reminded me soo much of my Daddy, those two men were the Best. Always thinking of someone else. Marv would help anybody if they needed him & so would my Daddy. Rest In Peace Marv & know that you were very much loved & Appreciated & it was an honor for me to call you MY FRIEND & to know you.

“ *Mr B, you were my spiritual father my entire Christian life. In school you prayed for me until I trusted Christ. Then you continued to pray for me, encourage and challenge me right up until you moved to your Heavenly Home. I prayed many times that the Lord would put a Mr. B in my sons' lives. You made an eternal impact on so many lives and you'll be sorely missed. Looking forward to a wonderful reunion in Heaven!!*

“ *We all know Marv was a giant of a man. I have proof in a 1957 picture and newspaper story (in French) about Marv competing in a 200-mile canoe marathon. Marv's note says it's on Michigan's Au Sable River. But the news story, in French, is about a race on Quebec's Saint-Maurice River. The newspaper writer describes Marv and teammate Dale Rohde as "deux geants" -- two giants. Marv, you were a true giant, much loved and sorely missed.*

“ *Oh Marv. I will never forget meeting you in MT at Flathead Lake Lodge - that intro to fly fishing you did with the new guests at FLL.....and over the next 24 years in teaching me to be a better fisherman - you really taught me how to be a better person. I am so sad that I won't see your name come up on my caller ID any more just to check in and see if I could come on another trip...chat about business, friends and sports.....You are the best! - I could always count on you to be there...you have impacted many many people. well done my friend! I can only hope to follow your path upstream!*

I have a bunch of flies that will never - ever see the water now!

“ MARV, IN LOVING MEMORY. ALL CAPS, LIKE ALL OUR CORRESPONDANCE. I WILL MISS YOU SIR. WE HAD A LOVE HATE RELATIONSHIP. I DON'T THINK WE EVER AGREED ON MUCH, BUT I ALWAYS RESPECTED YOU. I BELIEVE A MUTAL FRIEND ONCE TOLD ME YOU CALLED ME THE DEVIL. EVEN TO THIS DAY I LAUGH WHEN I THINK ABOUT IT. IN THE END, I THINK WE BOTH GAVE UP A LITTLE, AND BECAME FRIENDS. I MISS YOU SIR AND HONOR YOUR MEMORY, AND THE THINGS YOU TAUGHT ME. MAY THE LORD BLESS AND KEEP YOU. YOUR FRIEND ALEX DIAZ - SWIFT OPTICAL

“ Mr B had a profound effect on my life. As a 3 year bio student and chaperone after graduation, the Bois Blanc island trips were the peak of adventure. I have treasured the investment you made in me Mr B, not many know all the circumstances but God does. So glad to have visited 4 years ago while in Vancouver. I loved watching my children tell Mr Bielski stories back to Marv. Forever a friend. Dean Bailey, Carman Cougar '83
