“ Kevin & Nicki & family, There are no words that can adequately express the sorrow of losing a loved one but I hope it helps to know that so many of us care. The only thing that has been a consolation after my loss, is my belief that this is not the end and we will see our loved ones again. You are in my thoughts and prayers, Barbara Waite

“ Dear Kevin and Nikki: Please accept our deepest sympathy at this time of your loss. It is so hard losing our parents. Particularly in your case, your dad was such a young man. Please know that both Ellen's and my prayers are with you, and if there is anything that we can do, please let us know. Your friends, Rich and Ellen Koplan

“ Dear Kevin and Nikki, Your loss is felt by all who have lost loved ones before you, and who will experience this sadness in future times. It is a shared sadness that nobody really goes through alone, even at the lonliest moment.
