“ *My Aunt Jane has such a sweet spot in my memories especially as a youth, like a second mom, I spent so many nights in her home and I'm sure Jimmy and I caused her many sleepless nights at times, I will always be her "Timmy" she was so patient with me. I remember the wonderful smell of her fudge being made in the kitchen, her hugs when I fell, straight forward advice that helped me as a youth so I could make better choices as an adult. She was very loved by so many and I'm so excited to see her in perfect health in Paradise. I pray the family finds comfort in knowing she died faithful and is now safe in Jehovah's memory. She will be missed very much!! Love you all Tim Myers*
