“ *My Aunt Lell was as wonderful, kind and caring a person as I have ever known. I was saddened to learn only today, September 15, 2015 that she had passed. I loved her greatly but, unfortunately, for circumstances out of my control I had been able to have a relationship with her for the past 35 years ago. About four years ago in the spring my wife, Betty, and I dropped by her house unexpectedly while in Fayetteville, N.C. on business. She was so gracious in receiving us and we had about a two-hour visit and shared many memories and pictures. It was so wonderful and I was so sad leaving afraid that it would be the last I ever saw her. I sent her a Christmas card and suggested that she spend Christmas with us at our home in Linville Falls, N.C. I received a card back and that's the last I heard from her. I am disappointed that my family failed to advise me of her passing. My Uncle Ted was a great person and he always so kind to me. My prayers go out to Terry and all of the grandchildren. Had I known, I likely would have traveled to Vancouver - or wherever - for the service and to extend personally my condolences to the family.*

“ Leave a condolence or a memory. Granny was not a residence of Vancouver, Washington she was kidnapped and forced to move from her hometown of Fayetteville, North Carolina. I have many memories of this dear woman and none of them are with her daughter Terry Lee Ships who showed up at her door one day and made her mother put everything that she had acquired in 70 years on the front lawn with a sign that said FREE. TOKE MY GRANNY and put her on a plane to Washington state. Within six months was put in a nursing home and eventually died of heartache I am sure. Terry L. Ships kept her from contacting any family until the day she passed. Granny is in a better place now....with her husband Theodore Roosevelt Buchanan son Jerry Wayne Buchanan and only true daughter Mary Teddy Buchanan.... Reunited once again!! Granny was an inspirational human being that will be missed by many....not including Terry Lee Ships(her only living child) Granny we love you with all of our hearts. See you on the other side!!!
