“ I have known Mary since the late 1980's when she worked for Tellock & Associates and later her own accounting practice. My first encounters with Mary were business related, and over the course of time we became good friends. She was always honest, hard working and supportive of others. When I went to see her shortly before her passing, she was not concerned with herself, but asked how I was and my family. We have lost a very special person. My sincere condolences to her family.

“ Mary, I do not even know where to start. You are such a wonderful lady and a dear friend. You have left us WAY too soon and I am going to miss you more than anyone will ever know. You helped us through so many difficult times and I hope in some small way we left you knowing how valuable your friendship was to us and how much you are going to be missed. We love you Mary.
