“ When I moved into my home across the street from Mary, she was the first to knock on my door with a smile and a warm welcome to the neighborhood. Since 2013, it has been an honor to call her a trusted neighbor and friend. It was so nice to have a neighbor I could rely on for assistance and I will miss our living room chats. I will miss Mary dearly and am so heartbroken by her sudden passing but I feel confident that her memory will live on through her family and she will not be forgotten. Rest In Peace, Mary.

“ The memory that has forever stuck with me was Mary working with my Grandma, Darlene Ulrich at Montgomery Wards. Grandma and I were shopping for Samantha Knopp's birthday present. While shopping grandma had a heart attack. She was able to make it back to their offices. Mary called 911 and help me take care of grandma the whole time. She even let me answer a few of the incoming calls! Another funny memory is going to her house for trick or treating on Halloween. I wanted to dress up as Barney but the deal was I had to sing the theme song when we went to Mary's house. My sisters also had to participate which they were not to thrilled about. Mary jumped in and sang it right along with me/us! She also filled our buckets with more candy than we really needed. She was an amazing woman that left an impression on many lives. She will be missed! Give Grandma a hug for me Mary. ❤️💔

“ *I was only able to spend one afternoon with Mary, but I've gotten to experience how great of a woman she was through her granddaughter, Britny. I'm so glad for the time she was able to spend with her family and the love that they will carry forward. She was so wonderfully and uniquely herself, and I've glad to have spent even the little time I did knowing her.*
