“ I have wonderful childhood memories of Aunt Mary. Her laugh and humor was infectious. Thank you for all the great holidays, memories of boating, all the beautiful dolls and teaching me the love of the organ. You were always sweet and someone I was blessed to have been able to call aunt. I find comfort to know you are now together with uncle Herm, my mom and dad and grandma. Love you. Until we meet again some day. Love, Rhonda

“ Pam, Carol & Sharon (and families), Know that I care and share your sorrow at this very difficult time on the loss of your mother. May all be comforted by the wonderful memories of her you hold in your hearts. May she rest in eternal peace. Since teen age years our mothers were great friends that bonded a much larger family (The Peters and Summers). I will forever hold those memories deep within me and hopefully will continue to generate new ones with y'all (I had to throw in a southern Indiana slang). I am so glad that we have reconnected after all these years. May god bless you and your families today and always.
