“ Love you Grandma! I appreciate all the fun trips we did together. You and grandpa were so kind and generous in supporting my mom. I'm so thankful for our trips to the beach and picking berries, playing in the sand, jumping waves, swimming in the pool and you playing with us. How cute it was seeing Auntie and Grandma in their old lady swim suit! And I loved sleeping in my little nook in the camper by you and Grandpa as Mom and Ryan slept on the table. I appreciated the trip where we saw the Oregon trail and the ruts from the wheels! Not only that but the Oregon trail game where you were just trying to get to the end with everyone alive. I'm grateful for all the sporting events, plays and graduations. You and Grandpa were always so supportive. I loved when Grandpa would yell at the refs. You were there for us when we were sick. You would give me and Ryan ice cream when we had the flu. You were always there. I'm thankful to have grandparents like you. We will miss you but I'm glad you're at peace and reunited with Grandpa. Love you Grandma
