“ Hi, This is Mary Iverson, neighbor from 143rd Ave and I am unable to come to the funeral. I just want you to let know how important your mother has been in my spiritual life. She gave me a bible and brought me to Christ when I was 6 yrs old. There is no doubt that w/o that . . . well it's hard to say what would have happened to me. She planted the seed of truth in my foundation which gave me a place to go later in life. I have fond memories at her house. She sang to the radio as she worked in the kitchen, she washed clothes with the ringer washer. I remember the donkeys braying and Spot - the dog who loved to go on horseback rides with me and the other dogs. Although I haven't seen Mrs. Woods (that's all I've known her by so I can't seem to call her Lois) for many years, she continues to come to mind several times a year and I continue to thank the Lord for the loving guidance she gave me 46 yrs ago. She cared. I will never forget her. Never.
