“ *Mike and Christi,
You probably do not remember me, but I have been a friend of Max's since elementary school. I did not hear about Max until today and was very sad and sorry to hear the news. Max was an amazing person, full of life and always making others smile. He was always kind and a good friend. I remember going trick- or -treating with him, Case, and Poonam and having so much fun. I also remember going to Senior Prom in the same group, as I set him up with his prom date, my friend Desiree. She has some Prom pictures of the two of them that she isn't sure you have seen if you would like them.*

You have my deepest condolences. I am very sorry for your loss. I will miss Max dearly. Thank you for raising such an incredible person who made us all smile.

“ Mike and Christi I am so sorry for your loss. Max was my best friend growing up and he was an amazing person. I have so many good memories with him that I will never forget. Max definitely had the best sense of humor out of all my friends. There was never a boring moment with him. He always had the most energy and was always wanting to go out and do something. I liked that but sometimes I couldn't keep up with him lol. I wish we would of stayed closer as we got older. Even though we didn't he would always reach out to me every once in a while and see how I was doing and make sure I was good. He was a TRUE friend. When I heard max passed It still doesn't seem real to me and its hard to think about but I am always here for you guys. Thank you guys for always letting me come over all the time when I was a kid. I always had the best time over at your guys place. You guys are In my prayers and I love you guys
