“ Thank you Corky for letting us know about Maxine. We are so sorry to hear of your loss. She was very special to us, When Grampa McBroom passed Maxine and Cathy were so good about looking after Grandma McBroom. Bob and Maxine were so good to us and friends for almost 60yrs. Her family has meant a lot to our family. She will be missed. To the whole McGrew family, You all are in our thoughts and prayers.

“ Our prayers and thoughts are with you all at this time... I will always remeber your Mom as a sweet and good person, she loved life and her family was so important to her... her faith in God was always with her and she made our world a better place. We will miss our dear cousin, and there will be a void, but she will always be in our heart. Thinking of you your cousin Carolyn

“ McGrew Family, Papa and Mama just passed the word to us about the loss of Maxine. They shared a few of the stories and memories of their time and our families times with her and your families. Although I was little, these stories and our visits with you in more recent times, make me feel 'warm and fuzzy'. :-) We wish we could be there with you all for the service. Please know that you all are in our hearts, minds and prayers. We know God will be with you all and give you his love and strength in your time of loss. Giving you hugs from afar. ~Nawnie
