

Maxine M. Sullivan

September 15, 1939 - March 7, 2025

Maxine M Sullivan, born Maxine Slothower on September 15th, 1939 in Vancouver WA passed away peacefully at home, surrounded by her children, grandchildren and loved ones on March 7th, 2025 at 1:18pm. She is survived by four children, Randy Peters, George Wilder, Susan Sullivan and Russ Sullivan, 13 grandchildren, 24 great-grandchildren and 5 great-great-grandchildren.

Throughout her 85 years, Maxine was known to many people by many different names. She was a daughter to Ted and Ethel, a sister to Roxanne and baby Arthur, a mother to Randy, Ted and George, and stepmother to Susan and Russ. She was a wife, a fierce friend, confidante, grandmother, great grandmother (she loved being called GG), and a great great grandmother. She was a devoted member of Eastern Star for close to four decades, a member of her local Bunco club for more than 45 years and for a time was quite active with the Shriners and Masonic Temple with her late husband Tom Sullivan. She also loved to crochet and was a devoted advocate for her local ASL community. When her granddaughters Tara Young and Carrie Wilder were very young, she was inspired to continue her work in ASL and became an interpreter for over 10 years before finally retiring.

Most of all, Maxine was such a special, important, and pivotal member of her family and among her friends. She was a very cherished and loved woman and every day we will feel the void that has been left by her passing.

Her funeral will be held at Evergreen Memorial Gardens located off of 112th in

Vancouver WA on April 12th, 2025. The viewing will start at 10am with the service starting at 12pm. A graveside service will be held after the main service with the reception being held at the funeral home around 2:30pm.

“ My grandmother was one of the kind to me. I am her deaf granddaughter of my late father Ted Peters who passed just a few months ago. My heart is completely shattered. My grandmother and I connected on such a great level. She would communicate with me through sign language all my life. We bonded so great due to understanding each other and more better than I do most people. She is such an amazing person. If you knew her, I highly doubt there's a single negative thing you could say about her. She was all about love, laughter, happiness and more. Her smiles and laughter and hugs were contagious. Her love was enormous and impactful. I will miss you so much grandma. I know you're rejoicing with your love ones in heaven. I will see you again! Many love from near and far, 🤝👉 I love you so so much. Give my dad a hug for me.
