“ Merton Lewis Lende was the best father I could have ever hoped to have. He could build anything, repair anything and would be ready to lend a helping hand anytime day or night. He worked lots of hours to provide for our family. He made sure we had what we needed and most of the time what wanted. He raised his four children and was a father figure to two of his granddaughters. I hope that when each of his children, grandchildren and great grandchildren look in the mirror they see a little of him. His eyes, his nose, his blonde hair or his smile. My dad was one of the good ones and will be forever missed. Robin
