“ Wish we could come and attend the services. Mike was a cousin we grew up with. Our mothers were sisters. I, Vicki, had the opportunity to spend some time with Mike and his wife a year ago. He shared some old pictures and we got to talk and laugh about the things we did as children. He told me the story about the rasberrie bushes he had in his back yard. Mike even made me pick some, after all these years! He gave me bushes to bring back to phoenix for Doug to try and grow. I'm just sad that I can't be there to give my condolense in person. To Geri and the kids I pray for you in the days to come.
