“ You have left your mark on many people so that you'll never be forgotten. Your memory will forever live on with every one you ever met. I will miss you as will everyone else. But you've shared a part of yourself with us like me, and you will always live on with us. Maybe not a physical person any more, but doesn't mean you aren't here. I miss you dearly Mike but I will never ever forget you. You were a great positive influence on me and I shall try to make you proud.

“ *Mike I love you and I will always miss you.. you were my brother, my best friend, and so much more.. I hope that you can find peace and relaxation where you are now. And I pray that you dont worry about anything and you will always be alright... forever in my prayers and thoughts you will be... why it was time for you to go I will never know... till time brings us back together to renew our friendship or pick up where we left off, be safe. Love you always lil bro*
