“ *Mr. Haeder, I'm so sorry to read about Chad's death. I was a teacher at Steptoe and taught both Chad and Jenny when you lived there. I was saddened to see that you have lost both of your children as well as your wife. I pray that you will have peace and strength for each new day. Sincerely, Margaret Kernkamp*

“ Mike We are so sorry to hear about Michael and Patty. We read the obituary in the Reflector and we were both upset. Even though we have not seen each other for a long time, this really hit home. We are hurting with you. Words can not express what you must be going through. John and I are thinking about you and keeping you in our prayers. We had some good times and we feel that we have lost a part of the family. If we can do anything, please let us know. Our condolences, John and Jody

“ I will miss his contagiuous laughter, a smile that could consume you, if you could get around the chew. The phone calls, when he said, I love you too! Michael Chad Haeder, I will miss you. Aunt Jean
