“ *Semper Fi my big brother. Your strong love for family is surely missed. You were blessed with a family that stayed by your side until the time came for you to take your place with Mom & Dad. We will meet up again, but until then we will remember you each day. Your life will continue to live through your children and grandchildren. Love you always*

“ *Mick was my childhood friend, a fellow Marine and we were at the Sheriff's Office at the same time. He was my neighbor and my brother in Christ. I look forward to that great day when we shall all stand together again in the presence of the One who loves us so much, Jesus. Peg and family, you have been inspirational during Mick's long journey home. May God richly bless you in the days and years to come. Your Friends, Chuck and Gina Leidy*

“ I remember the night we took Mick for ice cream. He enjoyed having a Sunday with his Marine buddies and we had a hard time getting him to go home.

“ I remember Mick as a very kind, soft-spoken man. My husband George felt very close to him, and enjoyed his company when he would take him out to eat at Wendy's, among other ways they spent time together. He truly will be missed by his friends and family. My greatest wish, especially for his family, are for strength from God during this time in their life.
