“ My heart goes out to the Martin family and close friends. May you keep his good memories with you always. I'm so sorry for your loss. Michael was my very first real boyfriend. He was warm and kind and a lot of fun. We shared the love of music and other interest. My sister Vickie introduced me to the Martin clas when I was 13. I remember thinking how cool their family was, and Michael was really cute. We became friends and he asked me to go steady. Later on he gave me a promise to marry ring. We never did marry but he is in my heart and always will be. We went together for about 2 Or 3 yrs. When I think of Michael I find myself smiling. He was a part of my childhood and for that I aqm grateful. I love you Michael Love always,Debbie
