“ This video is one of my favorite. It is the day I knew he had won over my grandsons heart. It will always be special to and speaks to just who Michael was. He was the love of my life/ he created a safe place for me to be me and to love without reservations. Rest well my love, rest well- I'll see you again. You hold my heart and all my love.

“ *Michael was just a good person with such a good soul. He always kept in touch; how are you? How's Pete doing, cheering me up, funny jokes, laughing and GIFs back-and-forth in our text and all his positive attitude he did have. He knew I had a hearing handicap and helped me to learn different things online to help out. We played backgammon online and had a lot of fun. I will miss that killer smile. I feel like I lost a brother. My heart goes out to Mike's wife, Christine, his whole family, and his friends. 🌈❤️👉👈 Xoxoxo*
