“ I knew Mike for 25 years and he will be very missed by everyone who shared in his life. Mike was one of the most exuberant individuals that I've had the pleasure of knowing! Mike truly wore his heart on his sleeve - if he was happy the whole world would know it and when he was sad it broke your heart too! Mike had the best smile ever and the greatest, heartiest laughter around. Mike had a very tender heart and he loved his mother so. Good-bye my friend, I will always remember you and miss having you in my life. Cheryl
