“ I am so sorry to hear of your loss of your dear mom. We were best friends many years ago My daughters, Debbie, Renee, and Cheryl knew you and your sister Susie. I lost touch with your mom several years ago. Your mom was a loving and kind gracious lady. You will miss her I know, but hang on to your sweet memories of her. You will see her again and her wonderful smile. I will always remember when she tried to bleach my hair blonde and my hair looked like a bright orange carrot. I will smile at that memory and many more I have of her. Just know you and your sister and brother and family are in my thoughts and prayers. God Bless you and comfort you.
