“ My wonderful Aunt was a kind caring person who suffered through life, with a lot of hardships and she fought hard to overcome them all. She loved her children and family unconditionally, and she always had such a cute sense of humor. She so much fun to be around and everyone that knew her was better for she had a way of caring and sharing and now she is with her family in heaven waiting for the day to welcome us home. I will always love her and she will be missed.
