“ I miss my Uncle Mike. I hadn't seen him in years but growing up he was definitely the fun Uncle. My favorite memory was when he took me up to the place at Campers Hideaway for a quick 1 night trip. We stopped and grabbed steaks and a can of beans we cooked over a campfire and just sat up around the campfire talking late into the night. 25ish years ago but it's a trip I've never forgot.

“ I have known Mike since the early days when we both worked at Freightliner. Since then I would often stop by the body shops where he worked. He would always greet me with a big smile and some light hearted conversation. He was a good man and will be missed by all who knew him.  
RIP Mike Brodahl.

“ I will always remember our group camping trips. The one that I will remember most is when I fell through the chair and you nicknamed me "large Marge" in return I was told you weren't fond of your middle name so you became "Albert" all in fun. You will be missed!

“ *Tina and Ryan, I am so sorry for your loss. I know we haven't kept in touch over the last bunch of years but I have so many good memories of our camping trips, dice and card games and other shenanigans. So many laughing nights and adventures. Love to you and all who loved Mike.*

“ Mike was such a great guy, and such a big part of our lives. It was at a Black Sabbath concert in 1982 that he and Tina got together, and David and I were there. So many, many wonderful memories. He will be missed greatly.
