“ Sisters Margaret and Kathryn will miss Mildred so very much. Margaret and Mildred were one year and two days apart. We did everything together growing up and were close all of our lives. Because I was the oldest, I had to be the example. We loved each other and hardly ever disagreed when we were growing up. We know that you are greiving as am I. she is free body amd soul and with Jesus and we will see her again. We love and pray for you all.
