“ My Dearest friend Monica whom I love, I will cherish the moments we spent together and you are the true meaning of friendship. You made me feel like family. I am so grateful to have had a friend like you and feel fortunate that I was able to spend 3 full years with you shopping, cooking and entertaining you with stories. I will help Kirk in anyway as I promised you. I'm sure with all the friends he has, he will be busy. I love both of you. Love from your girlfriend, Em and family
