“ I just stumbled across Myra's death online. We never met, but she was a second cousin of my mother. As a family genealogist here in New Brunswick, I have many of the old family photos, including some related to Myra and her family. I would be willing to share them with her family if any are interested. I'm not sure if there is contact with any of the closer Gregg relatives here in eastern Canada. If so, these pictures and info may be already familiar and may not be of any particular interest, but I wanted to offer to share and establish a contact if you are interested. I hope making a contact in this way, though a bit unusual, will not be unacceptable, and hope to hear back.
