She was born on February 26, 1930 to Leroy and Bertha Ecoff in Winchester, ID. Her family later moved to Camas, WA. She graduated from Washougal High School in 1948. As a youth, Myrna participated in Rainbow Girls and the Girl Scouts. She enjoyed playing softball. One of her favorite activities was to swim in the Sandy swimming hole on the Washougal River. Her interest in swimming led her to belong to a swim club with her school friends. Holding numerous jobs throughout her life, Myrna first worked as a head cashier in the theaters in Camas and Washougal. She worked for Consolidated Freightways in Portland, held a part-time job at BPA doing inventory, and worked at Buick Motors in Portland. Myrna was later hired at Kaiser Permanente where she worked her way up to becoming the Accounts Payable supervisor. After devoting 25 years to Kaiser, she retired in 1992. Myrna remained active after retirement. She enjoyed participating in Sons of Norway activities, helping with fundraisers and would be seen often walking her dogs around her neighborhood. Some of her passport stamps would show Germany, Switzerland, Austria, France, Canada, Mexico and cruising the Bahamas. With each trip, she would add to her spoon collection. Despite her international and state travels, one of her

favorite locations to visit was Long Beach, WA.
