

Myrna Jean Turbush

September 23, 1928 - December 21, 2023

Loving wife and mother - Myrna passed away on December 21, 2023 at the age of 95.

Myrna moved to Vancouver, Washington at a young age from the state of Missouri - only to end up living next door to her future husband.

They married on her 21st birthday and celebrated 74 years of marriage this year.

Myrna loved to celebrate holidays and birthdays with decorations adorning their home(s) inside and out. Most occasions often included some of their famous matching outfits (Myrna had quite a few special earrings for each occasion too!) Often heard were compliments about their very stylist looks! Bob and Myrna were very seldom apart from each other. With her husband, they enjoyed his "profitable" hobby of music in the greater Washington and Oregon area for many, many years. Bob played a mean trombone and Myrna would dance or loved listening to the bands.

Myrna and Bob traveled and just enjoyed life together as a couple. Their bright smiles filled a room and will be missed. Myrna is survived by her two children, son Steven and daughter Barbara. Bob, her husband, sadly passed less than a month earlier, also at the age of 95.

They are once again - Together.

In lieu of flowers, if you wish to donate to any organization to keep the music playing for future generations in her name is appreciated.
