“ Myrna was my Great grandma, it is really hard saying goodbye. But when I was little she would always play barbie dolls with me out of her toy box and play games with me. I will always have her in my heart.

“ Q: *What will you never forget about Myrna?*

*A: She was my Aunt Myrna, Patricia Viles, sister in law and a Super Great Mom that I remember as a child. Tupperware, weekends of their four kids, Halloween in Vancouver with all four kids. Cookie tins of homemade choc chip cookies hand delivered at Christmas time.*

*The birthdays, dinners, Sunday picnics in the yard. Her secret for moist cookies sent to her to her sons while in the Service. Coming back from major Life challenges in the 70's, as well as throughout her life. She made beautiful memories for me with her family, I have always cherished & I will for the rest of my life.*

*Thankyou Aunt Myrna. You were loved and always will be.*
