“ Mom, you were a treasure to us all. We love you with all our hearts. You were the light in all of our lives and will never be forgotten. This is one of my favorite pictures of us together.

“ Mom, where do I start... You were the best Mother two kids could ask for, you filled our hearts with love and care, and help us navigate this thing we call life. At a critical point in my life, you saw that I needed some structure and direction and suggested I should go talk to the Navy Recruiter, which lead to a 20 year career.... I can't thank you enough for always being there for me, even when I was bouncing around the Globe. I truly cherished our relationship Mom, and you will never be forgotten... Love you so very much.
