“ *Aunt Nancy was two months older than Lee Jr. and someone captured a good picture of them spending time together I thought you would enjoy seeing. Lee Jr. passed 2-15-2011. You have my deepest sympathy for the loss of your mother. May she Rest in Peace and God bless you all. -Barbara (Mrs. Lee Jr.) Knowles*

“ Nancy and I we're only two years apart. We both love to ride horses. When's summer we decided to ride Jerome Trzil's horses down to the Cedar River and stay overnight. I have no idea how many miles away that was but it was a true adventure. The water was low so we could ride a crossed to a little island in the middle and turn around and come back to the shore. We didn't have sleeping bags, but we took whatever we thought would work to keep us out of the sand and warm. We started a little fire and started to eat as dark started to come around. Then we were happy to see one of the hobos come over talk to us and have some of our hotdogs. We played in the water most of the next day and went home so red and blistered that riding a horse was torturous. But it was one of the best memories I have of Nancy and I just doing our thing. Thanks for the adventure and the memories Nanc. My last two years in high school were spent with Nancy, and grandpa and grandma Knowles. So I'm sure there's more memories to share and as they come up I'll try to send them on. Blessings to all of you you were such a large part of my life and so needed.
