“ *Rest in Peace my dear, dear friend. I'll remember all the good times we had together... walking our dogs at the park, shopping trips to the outlet stores, dinners and holidays, going to meetings, our shared love of the Beatles, our trip to Vegas to see the "The Beatles Love" show, trips to the beach, slumber parties for watching movies and binging on tv shows, walking around Portland, and so many other fun times. We were two peas in a pod us. I loved how we made each other laugh till we cried. There were sad times too but we helped each other through them. My heart is broken that I'll never get to laugh (or cry) with you again. I'm going to miss you deeply. Thank you for being my friend. I love you.*
