“ If tears could build a stairway, and memories were a lane. We would walk right up to heaven, And bring you back again. No farewell words were spoken, no time to say goodbye. You were gone before we knew it, and only god knows why. Our hearts ache in sadeness and many tears will flow. What it meant to lose you, No one can ever know. But now we know you want us, to mourn for you no more. To remember all the happy times, life still has much in store. Since you'll never be forgotten, we pledge to you today. A hollowed place within our hearts, Is where you'll always stay. Why did you have to say goodbye? It was the last thing you had said to me. I had gotten worried and wondered why. Guess now I know. I miss you so much, Nate. Please, watch over us and guide us. â™¥ Nate has been my best friend for 3 to 4 years. It hurt me deeply to know that I have lost him as well as you. Nate was a big brother to me. He may have been a few months older than me, but he was always there when I needed him. I felt strange and odd when he was killed on the 19th of July last year. I swear that if I could go back in time I'd wish I could have stopped him from driving anywhere. I miss him so much, it always brings tears to my eyes to know that I've lost my friend. After knowing him for two years, I began to like him. I was very tempted to just leave my other boyfriend for him. Nate meant everything to me as he did to his family. I pray for our sorrows to end and wish that he was with us here today. I've known him so long, I think that if it was alright with his family, for me to get to know them as well. I love and miss you so much, Nate. Please make sure we're all safe and well. Watch over us, because I believe you'll always be our Guardian Angel. <3
