

Nicolas A. Starnes

July 21, 1980 - November 23, 2017

Nic was born July 21, 1980 in Longview WA to Robyn Dunbar. Growing up listening to his grandparents play guitar, Nic fell in love with music and taught himself to play guitar at the age of 12. He didn't only learn to play the guitar...he mastered it. He had a love for guitar and music like no other. You would get lost in his voice and music when he played. He loved all types of music from; Carol King to Sublime; from James Taylor to Metallica. In 2004 Nic married the love of his life Tiffany McCauley . They had 3 beautiful children: Madeline (10), Bella (9), Avery (8). All throughout life Nic was passionate in whatever he did: all star little league pitcher, football, skiing, guitar, music, love of his children and family. Nic's smile and eyes would light up a room and touch your heart. Nic had a great sense of humor that drew people to him. Nic's love and passion for his children, family and life will be greatly missed.
