“ I didn't know him so close! I was meet him at his house! When youth and I went to caroling! We sang couple Christmas songs to his family! I remember that I wished him and his family Merry Christmas!!! He was a kind person! Its hard to believe that he gone! But he went to better place. Where is no such things as pain.... God bless everyone who knows him so close that God heal their broken hearts... Rest in peace pastor, until we met again!
